19 LP, AstraZeneca Pharmaceuticals LP and McKesson Corporation jointly
20 move for leave to file under seal documents related to their
21 stipulated motion for an "Order Establishing a Qualified Settlement
22 Fund and Appointing Fund Administrator" (Stipulated Motion).

23 Because the public interest favors filing all court documents
24 in the public record, any party seeking to file a document under
25 seal must demonstrate good cause to do so. Pintos v. Pac.
26 Creditors Ass'n, 565 F.3d 1106, 1115 (9th Cir. 2009). This cannot

1 be established simply by showing that the document is subject to a
2 protective order or by stating in general terms that the material
3 is considered to be confidential, but rather must be supported by a
4 sworn declaration demonstrating with particularity the need to file
5 each document under seal. See Civil L.R. 79-5(a).

6 In the declaration supporting their motion to seal, the
7 parties indicate that they have entered into a Master Settlement
8 Agreement (MSA), which involves the establishment of a Qualified
9 Settlement Fund (QSF). They assert that both "the MSA and the QSF
10 contain and concern confidential, private and sensitive settlement
11 information." Dunlap Decl. ¶ 3.

12 Not all of the documents the parties seek to file under seal
13 appear to implicate information regarding the MSA and the QSF. The
14 stipulation filed in support of the motion contains specific,
15 detailed information about the settlement. However, the Stipulated
16 Motion does not appear to contain such information. Requests for
17 leave to file documents under seal must be narrowly tailored. See
18 Civ. L.R. 79-5(a).

19 Accordingly, the parties' motion to seal is GRANTED in part
20 and DENIED in part without prejudice. The "Stipulation with
21 Respect to Motion Regarding Plaintiffs' Request for Administrative
22 Relief and for Order Establishing a Qualified Settlement Fund and
23 Appointing Fund Administrator" may be filed under seal. Within
24 three days of the date of this Order, the parties may renew their
25 motion for leave to file their Stipulated Motion under seal, so
26 long as they proffer a declaration establishing the Stipulated
27 Motion's sealability. In the alternative, they shall file the

1 Stipulated Motion in the public record within three days.

2 IT IS SO ORDERED.
